New PDF Comment 10: Line or Arrow Tool (See Example PDF and Example PDFill Project File ) A line or arrow comment displays a single straight line on the page. You can change the look (color, opacity, border style and so on. For the arrow drawing, you can edit the beginning and ending straight lines so they use arrows and other pointer styles. When opened, it displays a pop-up window containing the text of the associated note to explain each drawing in more detail.
