I Love You is for anyone who knows love, and what life can through at you. Holly relates from the young in love to the elderly who know what life can throw at you. It takes you on a powerful journey of life, love, and recovery. I would rate this as an alltime favorite for the best drama books.

P.S I Love You by Barbara Conklin, the very first Sweet Dream Romance, published 1981. I hunted for this book in particular for years through every second hand book store and book fair, only to find it after my

passion for the series (and romance novels) had disappeared.
